SUMMARY

A highly motivated and skilled WordPress Developer with a proven ability to develop, maintain, and optimize WordPress websites. Experienced in customizing themes and plugins, troubleshooting website issues, and collaborating with design and content teams. Proficient in HTML, CSS, and JavaScript, with a strong understanding of responsive design and UX/UI principles. Seeking a challenging remote WordPress Developer position to leverage my skills and contribute to the development and maintenance of high-quality websites.

SKILLS

- **WordPress Development**: Theme Customization, Plugin Implementation, Troubleshooting, Performance Optimization, Security Best Practices
- **Front-End Development**: HTML, CSS, JavaScript, Responsive Web Design, UX/UI, Accessibility
- **Tools**: Canva, Git, GitHub, Bootstrap, jQuery
- **Other**: Strong Communication Skills (English), Time Management, Problem-Solving, Independent Worker
- **Languages:** Portuguese (Native), English (Fluent)

PROJECTS

Juris Ativo - Legal Services

- **Technologies**: WordPress, Elemento Pro
- **Description**: Developed a complete and responsive institutional website for a fictional law firm, Juris Ativo, using WordPress CMS and Elementor Pro. This project showcases my ability to customize themes and plugins to meet specific project requirements. Key features include custom pages for each area of expertise, contact form integration, and responsive design, ensuring accessibility on mobile and desktop devices. This project also highlights my experience with website performance optimization through responsive design and user-friendly navigation.

Other Projects

- Developed a series of small front-end projects, including responsive landing pages and interactive portfolio pages. These projects can be found in my portfolio. These further demonstrate my front-end development skills and ability to work on a variety of projects.

EDUCATION

Figma UI UX Design Essentials
Udemy — Feb 2024
Focused on Web Design, create designs for Desktop, Tablet and Mobile.

Web Design UX/UI - HTML, CSS, JavaScript, and React.js
Origamid — May 2022 - Jul 2023
Focus on creating dynamic and responsive user interfaces.

JavaScript FullStack Certification
Hotmart (Thiago Medeiros) — Dec 2022 - Mar 2023
Enhanced JavaScript programming skills with a focus on front-end development.

PROFESSIONAL EXPERIENCE

WordPress Developer
Sparked Digital, Toronto, Canada (Remote) — **Feb 2024 - Present**

- Developed and maintained WordPress websites for clients in various sectors, using Elementor Pro. This role directly aligns with the responsibilities of the target position and demonstrates my experience in a remote work environment.
- Implemented new functionalities through plugins and themes, ensuring responsiveness and SEO optimization. This highlights my ability to customize themes and plugins as required by the job description.
- Participating in website migration projects to WordPress, ensuring data integrity and website functionality. This showcases my problem-solving skills and attention to detail.

Chef
The Pantry Cafe, Enniscorthy, Ireland — **Jun 2022 - Oct 2023**

- Developed leadership, team management, and results delivery skills under pressure. While not directly related to web development, these skills are transferable and demonstrate my ability to work effectively in a team environment, even remotely.

Junior Sous Chef
The White House, Dublin, Ireland — **Jun 2015 - Jun 2021**

- Responsible for ensuring efficient kitchen operations, ensuring the delivery of high-quality dishes and maintaining food safety standards. Similar to the Chef role, this experience showcases transferable skills such as organization, time management, and attention to detail.

VOLUNTEER EXPERIENCE

Community Engagement Volunteer
MCRI, Dublin, Ireland — **Sep 2020 - Dec 2022**

- Assisted the Brazilian community in obtaining immigration documentation, demonstrating empathy and strong cultural understanding.
